Note:

- All dimensions are stated in millimetres
- When ordering, always state the height dimension first
- When ordering, state the outer frame dimensions exclusive of the fixing fin
- All configurations are viewed from the outside looking inside
- Multiple bay configurations will be supplied in equal vertical splits unless requested otherwise. Customer is to nominate the height of all horizontal splits
- Multiple bay configurations will be supplied with transom(s) and / or mullion(s) as required
- Black hardware is supplied as standard (excluding stays)
- Other configurations may be available upon request. The availability of certain sizes and configurations is dependent on the design wind load requirement of the site. Check with your G. James Representative to confirm availability
- Drawings may not be to scale
- Available upon request (additional charges apply):
 - Timber reveals: finger joint pine (FJP), primed FJP, clear pine, meranti and LOSP treated types are available. When ordering nominate reveal type and width required.
 - Security, acoustic and energy efficient upgrades
