Legend

Note: This size range also applies to the 075 Series double glazed sliding window (XO & XOX configurations only available).

Note:

- All dimensions stated are in millimetres
- When ordering, always state the height dimension first
- All aluminium frame sizes detailed above refer to the outer frame dimensions of the window exclusive of the fixing fin
- All configurations are viewed from the outside looking inside
- All two panel windows will be supplied as XO (slider / fixed) unless requested otherwise
- Black hardware is supplied as standard
- Drawings may not be to scale

- The availability of certain sizes and configurations are dependent on the design wind load requirement of the site. Check with your G.James Representative to confirm availability.
- Available on request (additional charges apply):
 - Finger joint pine reveals (clear pine, meranti, LOSP treated, primed and Tasmanian oak available upon request). When ordering state the width of reveal required.
 - Security, acoustic and energy efficient upgrades
 - Non-standard sizes
 - Fixed vent fitted to window sashes
 - Colonial or federation style bars
