Note:

- All flyscreens are supplied with fibreglass mesh as standard. Aluminium mesh is available upon request
- Midrail and handle heights are dependent on customer requirements and the position of any internal door hardware
- Black hardware is supplied as standard
- Drawings may not be to scale

Note:

- All barrier screens incorporate 7mm ArmaGrille (Security Mesh) and self latching keylock handles (doors only)
- Hinged barrier screens can be upgraded to comply with Australian Standards (AS 2803 – 1994) upon request
- Handle heights are dependent on customer requirements and the position of any internal door hardware
- HSD and DSD types illustrate a barrier door with a top-hinged, dual action pet door
- It is recommended that a qualified installer fit barrier screens and doors
- Black hardware and black anodised ArmaGrille are supplied as standard
- Drawings may not be to scale

Note:

- Handle height is dependent on customer requirements
- The specification for this product requires a midrail be fitted to Crimsafe screens which exceed certain size parameters
- Maximum Crimsafe screen width 1550mm
- It is recommended that a qualified installer fit Crimsafe screens
- Black hardware is supplied as standard
- Drawings may not be to scale
- Crimsafe is a registered trademark of Crimsafe Security Systems Pty Ltd.
